

Jr.Kg

Year- 1 October,2017 to 31st December,2018

Age Group: 4 Years

Duration: 3 hours per day

The transition from preschool to primary school is a crucial time of change for both children as well as their parents At SVB'S UMT SUNRAYS SCHOOL, the Jr. KG curriculum ensures smooth transition to formal schooling with meaningful and progressive learning experiences

In addition to age-appropriate activities in Jr.KG, which prepare a child for success in formal school: various other activities are conducted in the areas of language, numbers, general knowledge, music, art in a planned manner throughout the program.

Through these activities, children learn the alphabet and letter sounds. numbers and simple math and master early writing skills. Furthermore, each child's development is measured thrice in a year through well designed assessment.
